

INTUITIVE ACTION

豫

Yü

This is the right time to set up commanders and move the army.

FIRST SIX

Hearing the elephant, misfortune.

SECOND SIX

As solid as a rock, he does not wait until the end of the day.
The oracle says auspicious.

THIRD SIX

To stare at an elephant means trouble. He delays and is very sorry.

FOURTH NINE

Pausing, there is a great haul, so do not question but put the cowrie shells together.

FIFTH SIX

The signs are all of disease and while things are serious, they are not fatal.

UPPER SIX

Powerful forces of the elephant are disturbing. The barrier is breached, no mistake.
